Dear Family and Friends,

Happy Chinese New Year! Praise be to God for a HUGE answer to prayer. We have gotten our results from the inspection from the government we have been preparing and praying over – all the sleepless nights of hard work by our office staff and prayers all around the world have paid off. WE SCORED AN A!!!! This means that we are allowed to apply for an adoption license. At this moment, we are working on getting government approval for expanding our facilities.

FULL HOUSE. We have been at capacity for over a year. As we have been accepting special needs babies, word has gotten out and we continue to get calls but we don't have enough room! Some of our babies who have not been matched with

forever families are growing past the age we are allowed to keep them. When this happens, they have to be transferred to a different home. Our focus right now is to expand the number and age of the children allowed in our care. Our goal is to get 6 more beds and increase our age limit to 6 years old.

Part of this expansion project will require us to raise money and hire more social workers and nannies. Will you consider being a part of this initiative? We need volunteers across North America to partner and pray with us as we seek God's purpose and vision for a fundraising campaign. Anyone interested in helping out in your area, please contact Melody Wilson (melody@taiwanxien.org). There is still a lot to do but we are optimistic. Thank you for your continued support and prayers as we care for these precious little ones!

Blessings,
The Xi En Team

We've been celebrating lots of birthdays lately! Some of these birthday babies are still looking for sponsors. If you are interested in sponsorship, please email sponsor@taiwanxien.org

Things we are thankful for ...

- VOLUNTEERS - We are so thankful for volunteers to help fill in for nannies on their Chinese New Year holiday. Some of our volunteers have flown all the way overseas to be with us!
- MORE BABIES - Four new adorable baby boys joined us this past month!
- ADOPTION - We met with an organization from Taipei that is willing and excited to help place babies with special needs with forever families from all over the world. If anyone feels called to adopt a baby with special needs please email us at info@taiwanxien.org and we can let you know if this organization works with families in your home country.

Please Pray With Us...

- As we wait on the government application response, please pray that God would continue to show favor to us and that we would be able to hear back sooner than later!
- We are praying for volunteers to help us with fundraising - we need God to raise up his army so we are able to have finances taken care of - we have BIG dreams that He has given us and we trust Him, knowing that He will be using His people. Please pray about joining us in this next phase!
